

Bellefonte Emergency Medical Services

November 14, 2017

Bellefonte EMS has mailed out the annual 2018 Ambulance Membership Subscriptions to each residence and business in their primary response area in early November. Take a few minutes to complete and return it today before you forget. The memberships are a great way to prevent unexpected out-of-pocket expenses for an emergency ambulance transport during 2018.

If you did not receive a brochure in the mail or need additional, please call the Bellefonte EMS office at 355-2907.

In addition, the membership program is an important fundraising method for our non-profit agency. We dedicate all of the membership monies to purchase expensive medical equipment or vehicles to better serve the community.
