

**Milesburg Borough Council Emergency Weather Meeting  
416 Front Street  
August 8, 2024**

Council Members Present: Fred Kellerman, Plummer Davidson, Shirley Martin, Kirsty Lloyd, and Lauren Davidson-Haupt.

Mayor Clair Martin was also present.

Council Members Not Present: Ethel Kellerman and Barry Campbell, Jr.

**Pledge of Allegiance**

President Fred Kellerman called the meeting to order at 6:30 p.m.

President Kellerman announced that the meeting was being held in response to the impending weather conditions, which may require the operation of certain borough equipment. Since the borough currently did not have any maintenance employees, Nick Witherite contacted President Kellerman to suggest that he could operate the equipment at a rate of \$35 per hour.

President Kellerman called for a motion to temporarily employ Nick Witherite for the period of the storm, because of the possible flooding hazards in the borough. President Kellerman stated that the motion was essential to guarantee that Nick Witherite was protected by workers' compensation insurance, as he would not have coverage in the event of an injury.

Motion made by Shirley Martin and seconded by Plummer Davidson to temporarily hire Nick Witherite for three days (August 8, 9, and 10, 2024) in anticipation of Hurricane Debbie and any potential damage that may necessitate machine operation or maintenance. The rate will be \$35 per hour. Approved unanimously.

**Adjournment**

The motion to adjourn was made by Plummer Davidson and seconded by Shirley Martin. Approved unanimously. The meeting ended at 6:47 p.m.
