

## **Agenda**

### **Milesburg Borough Council Meeting**

**June 10, 2024**

The general public is welcome to share any concerns or issues within a five-minute time frame per individual. The President/Vice-President/Chairman ProTem has the authority to postpone comments regarding particular agenda items until the appropriate time during the meeting. Recording the meeting electronically is permitted. The Council kindly requests to be informed if you are recording.

\*The public should be given an opportunity to comment on any emergency items that the council may introduce for a vote, even if they are not on the current agenda before the voting takes place.
